# OVERVIEW

At Cavalvet, our journey is deeply rooted in our passion for horses and our commitment to their well-being. Since 2000, we have proudly specialized in horse feed and care, offering our expertise and unwavering dedication to the equestrian community in Egypt. We are more than just a company; we are horse lovers, caretakers, and partners in the pursuit of optimal equine health.

Cavalvet was founded with a simple yet profound mission: to provide the best possible care for horses in Egypt. The seeds of our company were sown in 2005, and over the years, we have nurtured our vision, growing and evolving to meet the unique needs of the equine world. Our founders, lifelong equestrians themselves, saw a gap in the market for top-quality horse feed and care products, and they set out to fill that void.
